Hi, this is Ansuman Pattanaik from 2005-09 batch. My life after Chipilima is missing the charm what was there in Chipilima. I still remember the batch feast in 10 rupees, scolding Binod and Subal for not supplying water to the room, fighting with the teachers for small matters, innovative styles of cheating in the exam, also going on the strike for our demands. But what I am missing badly is that the affection of seniors like Suresh Bhai, Asutosh Bhai, Prabhu Bhai, Rama Bhai, Shakti Bhai, Malla Bhai and the respect of the juniors like Tirtha, Naveen, Aditya , Dushmanta, Tapas and many more. Really, I love Chipilima and I want to live it again.
